Joint Venture

- Common Law Rule – Joint venture is for a specific purpose, i.e., a single contract
 - Generally, ongoing entity going after multiple contracts is a partnership, not a JV
- All participants in the JV are prime contractors
- General Rule – participants are affiliated for that procurement – aggregate the receipts or number of employees of all the participants. 13 CFR 121.103(h)(2)

Joint Venture

- Exceptions to aggregation requirement - JV is small if each participant is small
 - “bundled”
 - Procurements above \$10 million if the size standard is employee based
 - Procurements with a value in excess of half of a revenue based size standard
 - 13 CFR 121.103(h)(3)(i)

SBA's Definition

- A joint venture is an association of individuals and/or concerns with interests in any degree or proportion consorting to engage in and carry out no more than **three** specific or limited-purpose business ventures for joint profit over a two year period, for which purpose they combine their efforts, property, money, skill, or knowledge, but not on a continuing or permanent basis for conducting business generally.
- 13 CFR 121.103(h)

SBA's Definition

- The same JV entity may receive up to 3 contract **awards** in a 2 year period
- JV agreement must be in writing
- JV may be formal (separate entity) or informal (not a separate entity)
- If JV is separate legal entity (formal JV) it may be populated or unpopulated
- If JV is informal, it must be unpopulated
- The same participants can form another JV and pursue up to 3 more contract awards
 - Longstanding relationship between same partners will lead to finding of general affiliation

SBA's Definition

- Once JV receives an award, clock starts ticking
- May receive more than 3 awards if firm had not received 3 awards and made multiple offers prior to 2 years having passed since first award
- JV must meet Limitations on Subcontracting (performance requirements) FAR 52.219-14; 13 CFR 125.6
- For size purposes, a concern must include in its receipts its proportionate share of joint venture receipts, and in its total number of employees its proportionate share of joint venture employees. 13 CFR 121.103(h)(5)

8(a) Joint Ventures

 - 8(a) Participant must perform at least **40%** of the work performed by the JV (includes all work done by non-8(a) joint venture participant and any of its affiliates at **any** subcontracting tier)
 - Must be more than administrative functions
 - If Populated JV (with individuals intended to perform on k), non-8(a) JV party and any of its affiliates, may **not** act as a subcontractor to the JV at any subcontracting tier unless approved by AA/BD
 - But JV must be 51% owned by 8(a) and 8(a) must receive 51% of profits
- 13 CFR 124.513(d)

8(a) Joint Ventures

- For 8(a) contracts ONLY, SBA District Office must approve JV agreement prior to contract award
- 13 CFR 124.513(e)
- Once a JV has been established and approved by SBA for one 8(a) contract, a second or third 8(a) contract may be awarded to that joint venture if an addendum to the JVA is provided to and approved by SBA prior to contract award

Women-Owned SB JVs

- The EDWOSB or WOSB participant must be designated on the CCR and the ORCA as an EDWOSB or WOSB.
- The parties to the joint venture must enter into a written joint venture agreement.
- JV Agreement must designate an EDWOSB or WOSB as the managing venturer of the joint venture, and an employee of the managing venturer as the project manager responsible for the performance of the contract.
- The JV must perform the applicable percentage of work. Subcontractors do not count.
- The WOSB or EDWOSB must provide a copy of the joint venture agreement to the contracting officer and can do so through the WOSB Program Repository.

Ostensible Subcontractor Rule

- 13 CFR 121.103(h)(4)
- A contractor and its ostensible subcontractor are treated as joint venturers, and therefore affiliates, for size determination purposes
- An ostensible subcontractor is a subcontractor that performs primary and vital requirements of a contract or a subcontractor upon which the prime contractor is unusually reliant

Ostensible Subcontractor Rule

- All aspects of the relationship are considered, such as contract management, technical responsibilities, percentage of subcontracted work, bonding, **whether the subcontractor is the incumbent and is ineligible to submit its own offer**
- A prime can be found to be affiliated with its subcontractor even where the prime will meet the applicable performance requirements (limitations on subcontracting)

Mentor Protégé Agreements

8(a) Mentor Protégé Program

- Mentor can be small or large business or nonprofit
- Mentor can have up to 3 protégés at one time
- Protégé can have second Mentor, corresponding to an unrelated, secondary NAICS code.
- Mentor/Protégé Agreement must be approved by SBA before the firms can submit an offer on a procurement as a small business; otherwise there is no exception to affiliation at time of offer. The JV with the Mentor must be approved prior to award.
- SBA approved Mentor/Protégé joint ventures are small for federal subcontracts.
- SBA prohibited from approving a new Mentor/Protégé relationship within six months of the end of an 8(a) Participant's program term.
- SBA is looking to see if the assistance to be provided will promote developmental gains to the 8(a) firm, if the developmental gains are tied to the approved business development plan, whether there are issues of negative control, and if the agreement is merely a mechanism to enable non-8(a) firms to receive 8(a) contracts.

Possible New Mentor Protégé Programs

Small Business Jobs Act

- Act allows for SBA to establish Mentor-Protégé programs for:
 - HUBZone Companies
 - SDVOSB's
 - WOSB's
- Programs will be comparable to the 8(a) program
- Proposed regulations later this year?
